WE ARE  
OPEN

# Support local businesses

During this pandemic, we encourage you to remember our downtown and area businesses. Please continue supporting them even if you cannot visit physically.

**Here are seven ways we can continue to support them:**

- 1.** Order takeout or delivery from downtown and area restaurants. Also tip the same amount (or more!) as you would dining in.
- 2.** Bars are allowed to service pick up orders with sealed containers.
- 3.** Shop online or via phone. Some downtown businesses have online shopping available, or may be able help you get what you need via phone.
- 4.** Support your downtown and local businesses by buying gift cards to spend later. Most of our shops, restaurants and other service providers offer this option!
- 5.** Leave reviews for your favorite small businesses on Google, Facebook, TripAdvisor, or Yelp.
- 6.** Buy digital products, subscriptions, or memberships.
- 7.** If you typically order wholesale products with local retailers later in the year, place your orders now.
